Action Items	<ul style="list-style-type: none"> We discussed the meeting time of AHAD. For 2015 it will be the fourth Thursday of even months at 11:30 am. Dates are: <ul style="list-style-type: none"> o April 23 o June 25 o August 27 o October 22
Updates	<ul style="list-style-type: none"> Patrick gave an update on the Highway Advisory Radios and the intended plan to apply for homeland security funding to replace them with variable message boards due to the cost of repairing the current units. Goal is for 2 in the valley, 1 in Big Sky, 1 in West Yellowstone. Patrick said they are also looking to add HF amateur radio capability in Big Sky and West Yellowstone with a grant. Patrick provided an update that the county will be moving forward with a new emergency notification vendor starting in July. Betty gave a presentation on DPHHS’s new sheltering plan for the state. It doesn’t necessarily fit with our local plans with the Red Cross and has some vagueness in a lot of areas. We should expect that we may end up with questions coming from DPHHS to our local health department about sheltering instead of through the normal emergency management route. Dustin provided us a quick primer on the health department’s role in potentially contaminated food.
